Introducing Alan Winslow — Hamel's New Chief of Police

Alan Winslow has joined the Hamel Police Department following a successful career in law enforcement with the Village of Bethalto, serving his last seven years with the Bethalto Police as Chief.

In addition to his extensive law enforcement background, Chief Winslow served as the Mayor of Bethalto for 8 years following his Police service.

In his spare time, Chief Winslow enjoys being involved with community events and the Boys and Girls Clubs of Greater St. Louis. Alan also currently serves as the Board Chair of the Illinois Alliance of Boys and Girls Clubs.

Alan has been impressed with the quality of our existing Officers and says that the Community has been exceedingly welcoming to him. Our new Chief is excited about the mission of expanding Police services to the residents and businesses of Hamel and is enjoying serving here. Please join us in welcoming Chief Winslow to the Village of Hamel!
